FRONTEND WEB AND MOBILE DEVELOPER

Enthusiastic and skilled Frontend Web and Mobile Developer, eager to contribute technical expertise and innovation to a dynamic team within a forward-thinking organization. Proficient in React.js and React Native, with a solid foundation in crafting responsive and user-friendly interfaces.

Key strengths include a keen eye for design, a commitment to delivering high-quality user experiences, and a passion for staying current with emerging trends in web and mobile development. Experienced in collaborating with cross-functional teams to translate business requirements into technical solutions. Seeking a challenging position that allows me to leverage my technical skills in React.js and React Native to contribute to the success of innovative projects, foster efficient workflows, and drive superior user engagement.

KEY COMPETENCIES

Proficient in building dynamic and responsive user interfaces using React.js for web applications and React Native for mobile applications.

Strong attention to detail, ensuring pixel-perfect implementation of designs while maintaining responsiveness across various devices and screen sizes.

Proven track record of working collaboratively within cross-functional teams, including designers, backend developers, and stakeholders.

PROFESSIONAL EXPERIENCE

Union System

Aug 2022 - Present

Senior frontend developer

Union Systems Limited (USL) proudly maintains its standing as Africa's leading financial software company. In my ongoing role, I continue to lead a team of frontend engineers, collaborating on the development of world-class solutions. This ongoing experience underscores our commitment to excellence and innovation within the dynamic field of financial technology.

Sterling Bank Nigeria

Jan 2022 - Nov 2023

Frontend Developer

Sterling Bank Nigeria, a prominent financial institution, continues to be a key player in the country's banking sector. During my tenure as a Frontend Web Developer, I played a pivotal role in crafting digital experiences that align with Sterling Bank's commitment to innovation and customer satisfaction. The journey at Sterling Bank has been an enriching one, contributing to the ongoing evolution of digital solutions that enhance the bank's presence and user engagement.

Tremendoc

Jan 2022 - Dec 2022

Frontend developer

Tremendoc, a leading telemedicine platform, stands at the forefront of healthcare innovation. As a Frontend Web Developer on the Tremendoc team, I have been actively involved in shaping the digital interface to provide seamless and user-friendly experiences for patients and healthcare professionals. This role has afforded me the opportunity to contribute to the ongoing advancement of telemedicine, ensuring Tremendoc remains a reliable and cutting-edge platform in the healthcare landscape.

Frontend developer

ITSkillsCenter, a dynamic hub for technology and education, plays a pivotal role in shaping the digital landscape. As a Frontend Developer at ITSkillsCenter, my responsibilities extend to both building innovative products for companies and nurturing the next generation of developers. In crafting solutions for our clients, I've been part of a team dedicated to delivering impactful digital products. Simultaneously, my role involves training beginners in frontend development, contributing to the growth of aspiring talents entering the dynamic world of technology. This dual commitment underscores ITSkillsCenter's mission to bridge the gap between industry needs and the skills of emerging developers.

WHY WORK WITH ME?

Hiring me brings a wealth of experience and a proven track record in delivering exceptional digital solutions. Over the years, I've successfully crafted products for leading Nigerian companies, showcasing my ability to understand and meet the unique needs of diverse industries. As a seasoned professional, I've not only led teams of developers but have independently spearheaded the development of impactful mobile apps and web solutions for various enterprises.

My approach is founded on effective project management, and I bring valuable leadership skills to the table. Managing teams with proficiency, I've overseen the successful delivery of projects, employing agile methodologies to ensure adaptability, efficiency, and client satisfaction. By choosing to work with me, you gain a collaborator who not only brings technical expertise but also possesses the strategic and managerial acumen necessary for driving projects to success.

Skills**Frontend Development:**
